

Introduction

- My name is Parth Upadhyay. I am 25 years old. I am from a very small village named Sayan. My hobbies are playing Cricket, Football, Table Tennis etc. Young aspirant with technical awareness to learn more on software testing. My career objective is to seek a challenging position in the software testing field where I can contribute with my present skill and enhance the same by balancing my growth with that of organization. I completed my Msc.IT in 2021 from Babu Madhav Institute of information technology, Maliba Campus, Bardoli. And after that I did a Software testing course from TOPS Technology, Surat.

Strength

- I am a solutions-oriented person and a quick learner.
- I love staying up-to-date with trends in the tech industry.
- I can view a situation from multiple perspectives and empathize with my employees to understand their needs at any given time.
- I am very collaborative. I've always enjoyed working on teams and it is one of my strongest attributes.
- My positive attitude is definitely one of my strengths.

Weakness

- I am a naturally shy person. Since I was a kid, I have always felt nervous presenting in front of the class.
- Balancing work and personal life.
- Delaying tasks unnecessarily.
- Fear of Public Speaking.
- Lack of experience with skill or software.
